اللَّهُمَّ صَلِّ عَلَى مُحَمَّدٍ وَعَلَى آلِ مُحَمَّدٍ كَمَا صَلَّيْتَ
عَلَى إِبْرَاهِيمَ وَعَلَى آلِ إِبْرَاهِيمَ إِنَّكَ حَمِيدٌ مَجِيدٌ
اللَّهُمَّ بَارِكْ عَلَى مُحَمَّدٍ وَعَلَى آلِ مُحَمَّدٍ كَمَا بَارَكْتَ
عَلَى إِبْرَاهِيمَ وَعَلَى آلِ إِبْرَاهِيمَ إِنَّكَ حَمِيدٌ مَجِيدٌ

Hazrat Mirza Basheer-ud-din Mahmood Ahmad ^(ra)

"Wherever in the Holy Quran the commandment to pray is mentioned, it has always been commanded to pray in congregation, never alone. It is unequivocally clear from this that, according to the Holy Qur'an, Prayer is only truly offered when it is offered in congregation, unless there is some serious obligation or constraint.

"Wake up from your sleep seeking salvation and run when you hear Adhan."

Hazrat Khalifatul Masih IV ^(rh) says:

It has been my experience throughout my life that those who do not have a clean dealing with Allah in their financial sacrifices & do not separate their wealth for HIM with piousness; their other affairs also worsen.

The peace of their homes is destroyed, they start suffering losses in business, the upbringing of their children deteriorates and in general, blessings are removed from a person's life... Therefore, do not consider this a small matter. Pay full attention to this with fear of Allah for your own Improvement. And be sure that by spending money in the way of Allah, wealth increases, not decreases.

THE PROPHET'S (SA) GRATITUDE TO GOD AND HIS TEACHINGS ON THANKFULNESS

Summary & Action Points prepared as an individual initiative from the Friday Sermon delivered by Hazrat Khalifatul Masih V (aa) on 17.07.26

(Issued by Babul Ghafoor Mosque, West Midlands, UK)

اللَّهُمَّ أَعِزَّنِي عَلَى ذِكْرِكَ وَحُكْمِكَ وَحُسْنِ عِبَادَتِكَ

O Allah, assist me in remembering You, in thanking You, and in worshipping You in the best of manners.

Quran: Al-Faatiha 1532

THE HOLY PROPHET ﷺ'S LESSON: NEVER STOP PRAISING ALLAH

The Holy Prophet ﷺ would regularly ask a man how he was doing. Every time, the man would reply: "I am well, all praise belongs to Allah." The Holy Prophet ﷺ would then pray for him. One day, when asked the same question, the man replied: "I am well, as long as I remain grateful."

This time, the Holy Prophet ﷺ did not respond. He remained silent. When asked why, the Holy Prophet ﷺ explained that the man's words suggested that there could be times when he had nothing to be grateful for. This subtle expression implied doubt in Allah's continuous blessings. The Holy Prophet ﷺ could not bear even the slightest hint of ingratitude towards Allah. He taught that a believer should always recognise that Allah's favours never cease, even during hardship.

Lesson: Lesson: A true believer is grateful in every situation, recognising that Allah's blessings never cease even during hardship.

POINTS OF SELF-REFLECTION

- Do my words and actions reflect gratitude for Allah's countless blessings, both big and small?
