5. Nay again! you will soon come to know.

* 6. Nay! if you only knew with certain knowledge,

7. You will surely see Hell *in this very life*.

8. Aye, you will surely see it with the eye of certainty.

HADITH

خَيْرُ الزَّادِ التَّقْوَىٰ

The best provision for the journey (to the Hereafter) is through the fear of God

Discussion points:

What does it mean to fear Allah?

What does this Hadith teach?

The journey also refers to the journey of life

What can we do to apply this in our daily lives?

HAQIQATUL-WAHI (THE PHILOSOPHY OF DIVINE REVELATION) PAGE 60

If the Signs of God have not appeared in my support and the heaven and the earth have not testified for me, I am a liar; but, if the Signs of God have appeared for my sake and the present age has testified to the need for my advent, then to reject me amounts to striking one's hand against the edge of a sharp sword. In my time alone did the solar and lunar eclipses occur in the month of Ramadan. In my time alone did the plague befall the land in fulfilment of the authentic ahadith, the Holy Quran, and the past Scriptures. In my time alone did a new mode of transportation—meaning, the railway—come into operation; and in my time alone—in accordance with my prophecies—did terrible earthquakes take place.

Therefore, was it not the demand of righteousness for them not to venture in my opposition? Behold! I swear by God Almighty that thousands of Signs of my attestation have appeared, are appearing, and will [continue to] appear in the future. Had this been a human contrivance, it would have never received this much support and success; and it is contrary to equity and honesty to present only one or two incidents out of the thousands of Signs that have appeared, in an attempt to deceive people that such and such prophecy did not come to pass.

Discuss this passage, the need of the time and the signs of God attesting the truthfulness of the Promised Messiah (as).

Can you think of any more signs?
