## The sayings of the Promised Messiah

*Majmooa Fatawa Ahmadiyya, Vol. 1, p. 182*

It is reported in Hadith that two types of people are the most unfortunate: one who lived through Ramadhan and failed to have his sins forgiven; the other who had his parents and they passed and he was unable to have his sin remitted. While a child is in the care of his parents, they bear all his worries and troubles. A man comes to know the value of his parents when he himself becomes responsible for his own affairs. In the Holy Quran, God has given a degree of preference to a mother, for a mother bears the hardship for her child. However infectious a disease a child may catch, maybe smallpox, cholera or plague, a mother never leaves her child. Once my daughter had cholera and her mother used to handle her vomissions and other secretions with her own hands. A mother partakes of all her child's afflictions. This is out of natural love of which there is no parallel.

## Ten Proofs for the Existence of God

Ten Proofs for the Existence of God is an elegant and thoughtful disposition of the proofs of God's existence found in the Holy Quran. From the principle that the loved ones of God always meet with success to the moral awareness of human beings to the fine-tuning of the universe, Hazrat Mirza Bashir-ud-Din Mahmud Ahmad(ra), the second successor of the Promised Messiah(as), sets forth ten Quranic arguments to show with compelling force that the existence of God can be established with full certainty and in a manner which is beyond refute. ## QUR'AN VERSE OF THE MONTH

Chapter 2 Verse 184

English Translation:

يَا أَيُّهَا الَّذِينَ آمَنُوا كُتِبَ عَلَيْكُمُ الصِّيَامُ  
كَمَا كُتِبَ عَلَى الَّذِينَ مِن قَبْلِكُمْ لَعَلَّكُمْ

O ye who believe! fasting is prescribed for you, as it was prescribed for those before you, so that you may become righteous.

# Department Overview

## Aitmaad

Lead by *Hameed Qureshi - Nazim Aitmaad*

Aitmaad is a central administrative department which operates under the National Motamid (General Secretary for Majlis Khuddam-Ul-Ahmadiyya). The Aitmaad department assists the National Motamid with his responsibilities.

The department manages all correspondence of the Majlis, under the instruction of Sadr Majlis. Another essential responsibility of the Aitmaad department is to manage the internal reporting system of the Majlis, this includes obtaining data from all branches of the Majlis (National, Regional and Local). This data is then collated and compiled in a report which is presented to Huzoor-e-Aqdas. The department is further responsible for arranging and delivering National Amila meetings which are held regularly throughout the Khuddam year.

The Aitmaad department also have a number of departmental events. An annual Office Bearers Forum is organised by the department where Office Bearers, from National, Regional and Local platforms, are in attendance. A number of workshops and talks are arranged with the aim to train and develop the Office Bearers within the Majlis. The Aitmaad department also has a fundamental role in organising and delivering the annual Majls-e-Shura.

## Message by Qaid Majlis

by *Taimoor Chaudhary*

Dear Greenford Khuddam,

As we look back on Ramadan, I'm truly moved by the unity and spirit of rejuvenation we experienced. Our iftars, especially in Greenford, were a highlight. Seeing so many of you come together, breaking bread and sharing stories, really underscored the essence of community and brotherhood we cherish. These moments, particularly at the Greenford iftar, where the turnout was remarkably inspiring, showed us the strength of our unity and the joy of gathering as brothers. InshAllah we can hold more events like this in the future.

The weekends spent for Darsul Quran at Southall Mosque further cemented this sense of camaraderie, providing us with not only spiritual enlightenment but also a platform to strengthen our bonds. It's heartening to see the mutual support and willingness to sacrifice for one another, qualities that are the backbone of our Khuddam community.

Let's keep this spirit alive, continuing to support and uplift each other in all our endeavors.
