# GENERAL MEETING

MKA West held its general meeting on Sunday, 23 November. The meeting began with the usual agenda items. The main discussion focused on encouraging Khuddam to attend the mosque regularly, particularly by making a stronger effort to join Fajr and Isha prayers in congregation.

Khuddam were also reminded about the importance of financial sacrifice, and members were encouraged to contribute towards the Waqf-e-Jadid scheme as part of their ongoing spiritual development.

The meeting concluded with a friendly table tennis tournament.
