# Beyond Allegations

Sunday 1<sup>st</sup> February 2026

On Sunday 1<sup>st</sup> February following Maghrib & Ishaa Prayers, Walton Qiadat held their first ever 'Beyond the Allegations' discussion session with Atfal and Khuddam to engage people about their faith. A total of 12 Khuddam and 5 Atfal attended.

A number of Khuddam and older Atfal had seen allegations and hate being spread against Jama'at Ahmadiyyat online, and some had even faced questions and allegations in person. Alongside this, several Khuddam expressed their lack of knowledge to prove the truthfulness of the Promised Messiah <sup>AS</sup>, or a true understanding about their faith and wanted a platform where a discussion could be held to truly engage with ways in which they can refute these allegations, especially in the age of misinformation.

Some Khuddam and Atfal had watched videos online through TikTok and YouTube of other people who used verses of the Holy Qur'an and authentic Hadith to refute the allegations placed against the Jama'at. Not only did the Khuddam and Atfal find this content engaging but also expressed a wish to want to learn more and understand more about their faith.

During the first discussion session, the presenters, which included Local Qaid sahib, discussed the various common allegations which Ahmadis (and especially Khuddam) face day-to-day.

These included the finality of Prophethood of the Holy Prophet Muhammad <sup>SA</sup>, and the claim of prophethood made by Hazrat Masih-e-Maud <sup>AS</sup>. Khuddam and Atfal also discussed the persecution of Ahmadis across the world and especially in Pakistan, and the ways in which Allah the Almighty shows that the true Jama'at always prevails with examples from the time of the Promised Messiah <sup>AS</sup>, and more recently from the time of Khalifatul Masih IV <sup>RH</sup>.
