New Years Clean Up - 1<sup>st</sup> January 2026

## STARTING THE YEAR AS WE MEAN TO END IT

Keeping with tradition, Tahir Region started the new year of 2026 with cleaning the local communities streets. Khuddam and Atfal gathered together, joined by local councillors and mayors to pick up litter and spread positivity amongst the community. In total over 80 Khuddam and Atfal took part.

### Tahir Region - New Years Clean Up

Amoomi & Waqar-e-Amal

# Over 250 Hours & Over 70 Khuddam

This month alone Tahir Region has been blessed with multiple opportunities to help serve the Jama'at through various Waqar-e-Amal and Amoomi shifts. Alhamdulillah we have been able to provide over 250 hours of manpower, with over 70 Khuddam helping with all of these duties.

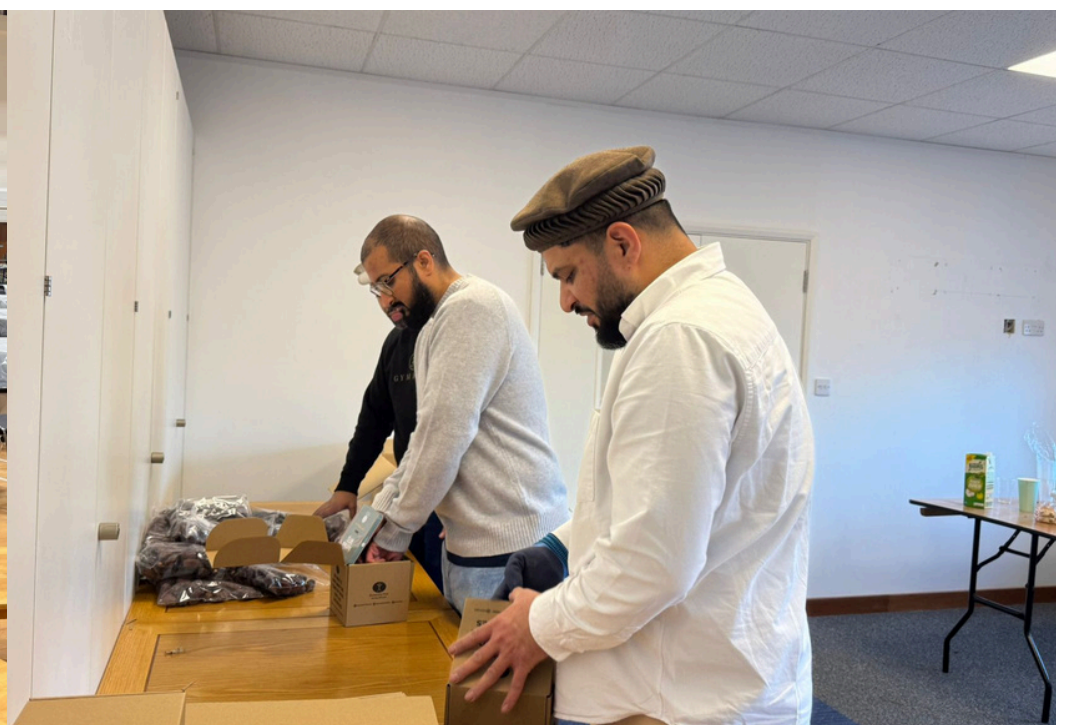

Waqar-e-Amal at Hadeeqatul Mahdi for Qaideen Camp.

Waqar-e-Amal at Islamabad Masroor Hall.

Waqar-e-Amal at Islamabad.

Waqar-e-Amal at Chessington Site.

“O Messenger of Allah, why should you occupy yourself in that way when all of us are here to do whatever may be necessary?”....“No, No. It is my duty to do my share of whatever may have to be done,”

# Regional Tabligh Stall

**On Sunday 18th January, Khuddam from Tahir region held a Tabligh stall in Kingston Town centre. We started the event with prayer. Alhamdulillah, we had a few engaging conversations with members of the public.**

Alhamdulillah, we had a few engaging conversations with members of the public. Whilst we were setting up the stall, a member of the public greatly appreciated our initiative and said that they should be held daily to promote peace and inter faith dialogue.

## Discussion topics included:

1. Differences between Islam Ahmadiyyat and non-Ahmadi Muslims
2. Is Islam a religion of peace?
3. Christianity and Islam

We established contact with 2 members of the public who were also invited to a mosque tour at Baitul Futuh. 39 leaflets were distributed.

JazakAllah to the Khuddam involved.

InshaAllah, we will continue to hold further stalls regularly to spread the true message of Islam.
