# Regional SLD Ta'lim Event

**By the grace of Allah, our region successfully hosted its regional Ta'lim event titled SLD – Study, Love and Defend Islam, during this blessed month of Ramadan.**

A range of beneficial topics were covered, including how to benefit the blessings of Ramadan and lailatul qadr, practical steps towards attaining tazkiyatun nafs (purification of the soul), and developing the ability to respond to common allegations about Islam with wisdom and clarity. Specifically we discussed the meaning of zill, burooz and the relevant allegations.

The program was concluded with an open Q&A with members of the national tabligh team.

The programme also provided an opportunity to come together in worship and brotherhood, we broke our fast collectively, performed Salat in congregation, and shared a meal together afterwards.

Alhamdulillah, it was a spiritually uplifting and educational experience for all who attended.
